Pond Study

Booking Information:

Late Spring (May & June)

Grades JK – 6

Program Length: Half Day (1.5 hours)

Ontario Curriculum Links:

- Kindergarten: Language, Science & Technology, Personal & Social Development
- Life Systems: Grade 1 – Characteristics & Needs of Living Things
Grade 2 – Growth & Change in Animals
Grade 4 – Habitats & Communities
Grade 6 – Diversity of Living Things
- Earth & Space: Grade 1 – Daily & Seasonal Cycles
Grade 2 – Air & Water in the Environment
- Matter & Materials: Grade 2 – Properties of Solids & Liquids

Program Description:

Students will have the opportunity to look at the basic needs and characteristics of insects and aquatic critters by visiting 2 different habitats and catching and classifying creatures. Time will be spent at our pond and in our fields or woodlots to look at the biodiversity of living things that call Willowgrove their home. All equipment such as catchers, nets and buckets will be provided for their adventure!
