Active Participation (Gr. 1 - Gr. 8)
- Science & Technology: Earth & Space Systems (Gr. 1, Gr. 5)
Structures & Mechanisms (Gr. 1, Gr. 3, Gr. 5)

Program Description:

Imagine a shelter made of snow that is warm enough to sleep in. Have you ever heard of snow that needs to bake? Spend a morning or afternoon building a snow structure that could help protect you and keep you warm if you ever got lost in the winter wilderness. A fun winter activity for all ages.
