Grade 3 – Growth & Change in Plants
- Earth & Space: Grade 1 – Daily & Seasonal Cycles
Grade 3 – Understanding Basic Concepts
 - Relating Science to the World Outside School
 - Heritage & Citizenship (Pioneer Life)

Program Description:

Explore one of Ontario's great natural resources – the maple tree. Students will learn about how sap is taken from the tree and the process it must go through in order to become maple syrup. Students will help measure and tap a tree, visit the sugar shack, enjoy a puppet show and a wagon ride. Students will also get to sample Willowgrove's own maple syrup.
